

## **Institutional Core Values**

The core values of our institute are line up with our mission and vision statement. These values are work as a benchmark for faculty, students and staff.

### **Excellence**

Endeavouring for excellence touches all aspects of institute's life and which are percolated in academic, curricular, and extracurricular A culture of excellence must permeate the institute in both academic and curricular capacities. We attempt to grow and follow higher standards by adopting excellence in staffing, providing facilities, arranging programs, and endorsing continuous development, inspiring originality and origination, using systems that encourage student and employee achievement, encouraging interdepartmental teamwork.

### **Commitment**

We are highly devoted to fulfil the needs of the students we serve. We obligate to being accountable and responsible in our actions at all stages of the institution. We also believe in assessment of our academic programs and clearness in our operational proceedings.

### **Respect**

We comprise all stakeholders in the decisions that affect them, treat people with self-respect and inspire spirits of self-worth, identify and support employee and student contributions. We respect for individual self-esteem and individual potential has reliably encouraged our institution to welcome the students and help them do well.

## **Leadership**

We engrained our students as cultured leaders and global citizens who shine in addressing the contests of the 21st century.

## **Diversity**

We hold diversity as a promise to development a friendly atmosphere in which all persons can attain as status completest where they are exposed and humble communication is expedited. Institute stays its efforts to improve the diversity in its faculty and staff. Such diversity reinforces institutes academic program and educational atmosphere, due to which student can start adoring the open minded.

## **Ethics**

We foster a knowledge atmosphere that endorses accountable, honourable behaviour. We believe in acting with morality, courage, and honesty. Obligate to practices that are impartial and truthful.

## **Quality**

We believe quality is not an accident; it is the result of continuous efforts, hardworking, practice and patience. Through guidelines and system set we try to inculcate the habit of quality work among all the stakeholders.
