Dr. Abhijit discussed the qualities of a 'Good Leader'. A leader has to be 'visionary'. When there is a vision, a leader can lead the path to others. A leader should be a 'Dreamer'. Leaders are the initiators and have creativity. They have lateral thinking, out of the box approach. Good leaders are knowledgeable and are 'thought' leaders. They should have good communication skills, presentation skill, interpersonal skill, passion. Leaders should show patience. Empathy is also one of the important qualities of a leader. Self-confidence is a must for a leader. Good leaders also have good physical and mental Health. They have to be high level of energy package. Ethics and moral values build the character of a leader. Profits can be earned by sticking to ethics and morality. Willingness to take risk, by measuring the risk has to be inculcated. There should be a blend of hard work and smart work in a leader.

While addressing students, he said that students should learn from their mistakes. In spite of any challenges maintain perseverance to pursue their goals, know your personality, and understand yourself. Make a proper choice of career and specializations.
